

## The Case of the missing Toad

EXT. King's Cross Station (miniscale)  
Establishing Shot

INT. King's Cross Station (minifig scale)  
Trevor the toad bounces on the studs towards a bench where there appears to be minifig legs sitting in it, and a suitcase beside it. The minifigure picks up Trevor as the camera pans upwards and reveals to be Newt Scamander. Newt looks at Trevor as Trevor looks at Newt.

NEWT  
Well hello, little guy.

TREVOR  
Ribbit!

NEWT  
Are you lost?

TREVOR  
Ribbit ribbit!

NEWT  
Yes, I know you're a toad. \*pauses\*  
If you were a nute or a salamander, this would be quite the ironic situation.

Shows freeze frame of Trevor silently staring towards the camera in Newt's pov, then changes back to the side view to show both Newt and Trevor.

NEWT  
In any case, well, more specifically this case (Newt holds up his suitcase), I'm sure I could find a home for you.

Newt opens his suitcase, puts trevor inside, and then closes it.

NEWT  
Case closed.

Newt walks away from the bench with his suitcase and walks towards the Hogwarts Express as he boards it.

INT. First Passenger Car

Newt sits down on a seat and places his suitcase beside him.

EXT. Train track (miniscale)

A miniscale Hogwarts Express drives by on the track.

INT. Suitcase

Trevor bounces up and down as he croaks.

INT. First Passenger Car

The suitcase bounces up and down on the train floor.

TREVOR (muffled)

Ribbit, ribbit!

The other passengers look at the suitcase in confusion. Newt looks down, and then towards the other passengers.

NEWT

(Laughs nervously)

Newt picks up the suitcase, opens it, and pulls out Trevor, who is moving around on his hand.

TREVOR

ribbit, ribbit, ribbit, ribbit...

Newt takes out his wand and points it at Trevor.

NEWT

I'm sorry, I don't want to have to do this. (Whispers)

Trevor struggles to try and get out of Newt's hand.

TREVOR

Ribbit, ribbit!

NEWT

But you leave me no choice. Petrificus Totalus! (Whispers)

Trevor stops moving, and turns dark gray. (Effect created by replacing the green frog piece with a dark gray one.)

NEWT

what?

Shows the gray Trevor blankly staring, then goes back to Newt.

NEWT

Don't look at me like that.

Trevor continues to be still.

NEWT

It's for your own good.

Newt places the now petrified gray Trevor back in his suitcase. He closes it, and then places it beside him on the train floor.

NEWT

Well, that was a close one. You almost created a scene. Who knew toads could be such troublemakers.

INT. Fourth Passenger Car

The passage car room shows Neville Longbottom, Hermione Granger, and Luna Lovegood. Neville has a worried facial expression.

HERMIONE

Don't worry, Neville, I'm sure Trevor will show up soon.

LUNA

I lost a remembrall once. The sad part is that I kept forgetting that I lost it.

NEVILLE

Have you found it?

LUNA

Found what?

NEVILLE

Oh, this is hopeless.

Neville covers his face with his hands. Hermione pats him on the back.

HERMIONE

Neville, have you tried a summoning charm?

Neville's facial expression changes from worried to happy.

NEVILLE  
Hey, that might work!

Neville sits up and pulls out his wand.

NEVILLE  
Accio toad!

INT. First Passenger Car

The suitcase starts shaking, and then slides across the train floor to the left of the screen and onto the door at the end. Newt and the other passengers look behind their seats.

NEWT  
Merlin's beard!

Merlin points towards the camera.

MERLIN  
Actually... that's a suitcase!

Newt runs towards the suitcase as a wizard boy reaches for the door.

NEWT  
No! Don't open that door!

The kid finishes opening it as it's too late. The suitcase flies to the next passenger car. Newt stops under the doorway as Gandalf stands in his way.

GANDALF  
You shall not pass!

Gandalf takes out his copy of Fantastic Beasts and where to Find Them.

GANDALF  
Can I get your autograph?

INT. Second Passenger car

Shows Draco Malfoy and a few other Slytherins.

DRACO  
I'm telling you, there's nothing that's faster and that hits harder than a rogue bludger.

The suitcase flies through the room very fast, and hits Draco in the back of the head, before flying out of the shot.

INT. Third Passenger car (bird's eye view)

The trolley witch walks down the aisle with the trolley cart full of food.

TROLLEY WITCH

Anything from the trolley, dears?

The suitcase flies into the trolley, spilling the food everywhere, and then leaving the passenger car as all the passengers watched.

WIZARD BOY

How much for the flying luggage?

INT. Suitcase

Trevor, now green once again, is shaken inside.

INT. Fourth Passenger Car

The suitcase lands onto Neville's lap, and automatically opens. Trevor leaps out and lands in Neville's hand.

TREVOR

Ribbit!

NEVILLE

Trevor!

I missed you!

Trevor dances around as both him and Neville appear to be happy to be reunited. Suddenly, a claw or tentacle of some sort grabs Trevor back inside the suitcase. It makes a monstrous sound and then burps before Newt runs up to the suitcase and closes it.

NEWT

Oh thank you so much for finding my suitcase. You have no idea how anxious one gets when their pets go missing! phew...

Newt takes his suitcase and exits the scene while Neville has a shocked look on his face (Like the one Frodo has from the Shelob set). Then the credits roll in, and the film ends.
