

"The Living Suitcase!"

Ext. Store front

Camera pans down from sky to front of building. Sign reads "Suitcases 'R' Us" Sign below it reads "liquidation sale 50-75% off!"

Int. Store

Phil walks through the empty shelves of the store until he comes across one with suitcases.

Phil browses the various suitcases on the shelf. He comes across a brown one. He takes it off the shelf. He walks over to the cashier.

Cashier (monotone voice)
Did you find everything ok sir.

Phil
Yes I did. I would like to buy this suitcase.

Phil places the suitcase on the check out table. Cashier scans it.

Cashier
That will be \$45

Phil
That's with the %75 off?!

Cashier stares at Phil. Holds hand out. Phil digs in his pocket and hands cashier money. Cashier makes changes. Phil grabs suitcase and starts to walk out

Camera pans and tilts as the cashier says his next line. The lighting gets darker and redder and flames appear from behind him.

Cashier
Before you leave the store I am obligated to warn you that the particulate suitcase you purchased today was cursed by an angry wizard who was frustrated that we did not sell little rubber ducks. He called down a curse so horrific that I can't even bare to describe it.

Ext. Store

Cashier pushes Phil out of the store.

Cashier

All sales are final have a nice day.

Cashier runs back inside and slams store door. Phil stands at the front of the store shocked.

Close up of Phil

Phil lifts up the suitcase

Phil

Here goes nothing

Close up of suitcase

Phil opens the suitcase and eyes appear. Phil screams and drops the suitcase

Suitcase

Ow!

Phil

What are you!

Suitcase

I am a living suitcase what does it look like.

Phil looks at the suitcase still in shock.

Suitcase

Thanks for saving me from that place, it was starting to get lonely in there. No one to talk to and all. My name is Casey by the way

Phil continues to stare at Casey, shocked.

Casey

Just thought you should know that I am cursed to hold your things forever. At least until you die that is.

Phil continues to stare at Casey.

Casey

So... What do you want to do now.

Phil continues to stare, still shocked. Casey slaps him

Casey

Come on we can't just stand here forever

Ext. Pizza restraint

Phil walk over to table with two slices of pizza. Phil sits down across from Casey. Gives a slice to Casey.

Casey

I don't eat food

Phil

Well what are you then!

Casey

I am a living suitcase, that's all there is to it. I eat the stuff you want to store in me and then I barf it back up. For example, let's as you wanted to store this pizza slice.

Casey eats the pizza

Casey

Now whenever you want to retrieve the pizza, you ask nicely and then...

Casey barfs it back up. The pizza lands on the table covered in green barf

Phil

I don't think I am going to be storing anything in you. You are not a very good suitcase.

Casey

That is very insulting! You haven't even tried me yet

Phil

Don't worry about serving me or whatever because I don't need a suitcase that throws up barf all over my stuff. This is just a crazy dream I am having. I am going home and forgetting about all this before my head explodes.

Phil gets up and walks away

Casey
Wait come back!

Phil starts crossing the street and doesn't see a car coming

Casey
Oh no! He is too distracted by my amazing charm he is going to
get hit.

Int. Car

Driver sees Phil. Driver screams.

Ext. Road

Sal looks at car.

Phil
Gasp!

Casey knocks Phil out of the road. Phil falls to the ground. He
gets up and sees Casey flattened in the road. Phil walks over to
Casey.

Phil
Wow, this little suitcase gave his life for someone who didn't
even want to be his friend. I've let a fantastic friend go
before I even got the chance to know him.

Phil sobs a bit. Casey gets up.

Casey
It's good to hear you say that!

Phil stumbles backwards

Phil
Aaaahhhh!

Casey

I may be part living being but I am also part indestructible
suitcase. I am basically immortal!

Phil

So we can be best friends for life!

Phil hugs Casey. Montage plays of Casey and Phil doing fun
activities. Golfing, swimming, ninja role play, stopping
robberies, eating a meal, Casey barfing up items. A suitcase
closes on last scene like a book
